DEDICATION

The Student Body of Washington High School wishes to dedicate the Nineteen Hundred and Eighty Washingtonian to Mrs. Dorothy Britton.

Many artists have come and many artists have gone. But lo! one prevails. The Artist's Artist. The world is not only brighter because of you, Mrs. Britton, it is also more colorful. From our hearts we thank you.

That is an excellent line you have there

In the beginning, I smiled.

Don't worry about the small mouse. He too searches for freedom.

So this is what it has turned into, eh?

BOOSTERS

President
Mr. Garrity

Vice President
Mr. Rohovit

The Booster Club is an organization made up of the parents of the athletes at Washington. The club was organized 15 years ago for two purposes: to raise funds to support the athletic program, and so the coaches and parents could meet on a social level in order to get to know each other. The group meets the second Tuesday of every month, and the cost to join is \$5 per family. Without the help of the Boosters, there's a good chance that our athletic clubs would have long ago been eliminated. Therefore we owe a great deal to them.

FOREIGN

You may have noticed our two foreign exchange students this year, either in one of your classes or somewhere on campus. They are Juha Lappalainen, from Finland, and Dann Moustgaard, from Denmark. Juha enjoys ice hockey, sailing, and watching Husky football. He has been staying with the Docter family. Dann enjoys playing soccer, and is planning to go out for Varsity soccer this year. Dann is living with the Lundstrom family. Dann admits that he would not mind living in the United States permanently, but still prefers Denmark. Both exchange students seem to agree that Americans have been very friendly and open with them.

EXCHANGE

"SENIORS GO HOLLYWOOD"

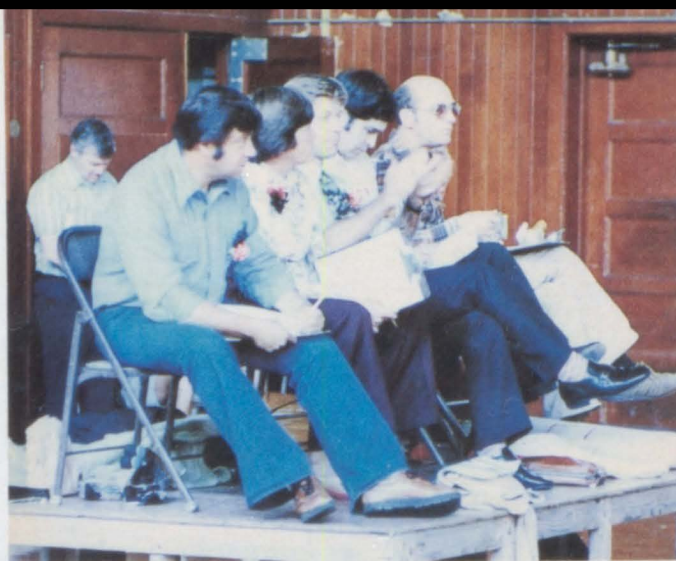

The class of 1980 took us to the first annual Spirited Academy Awards, and later to Washington D.C. to President Jimmy Carter's state of the nation speech, the Seniors took a close second place in the 1979-1980 Spirit Week festivities.

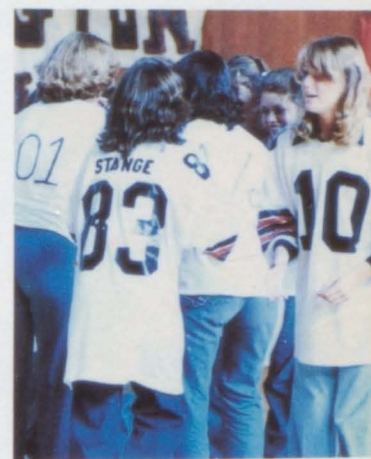

"FRESHMEN TAKE A TRIP TO SHERWOOD FOREST"

The class of '83 took us from a duel with KING SENIOR and Robin Hood and then to the wedding of Robin Hood and Maid Spirit, and finally to a very interesting imitation of our fighting football team. The freshmen took third place coming in over the juniors fourth position.

JUNIORS GO WILD AND CRAZY
Comedy abounded in the Junior class presentation of "Junior Night Live", with such "guests" as Steve Martin, Dan Akroyd, and Jane Curtain. The Juniors also presented a humorous look at the defeat of another Husky football foe. After a recount of the votes, the Juniors were given 4th place in the Spirit Week competition.

SOPHOMORES GO WAY OUT WEST

Cowboy hats and boots were in style among sophomores, as they duelled and fought it out with the other classes to take 1st place in the Spirit Week competition. The Sophomores also showed their Husky spirit by taking an imaginary trip in their presentation of "The Wiz".

The 1979 Washington Husky Varsity Football Team had a very successful year. Coach Ingram took over the job as head coach and led his team to a 9 and 1 record. Throughout the entire season, the Huskies maintained the number 1 rating in the East Bay, and was ranked third in the state. The team was well respected, and played before some of the largest crowds ever.

The Huskies rolled over their first opponent, who also was ranked first in their division. They beat Pinole and Amador, two of the very best teams in the area. The season boiled down to the annual rival game- Washington vs Mission. Before a packed crowd of over six thousand fans, the Huskies and Warriors battled for the MVAL championship. Although Mission came out on top, the Huskies should be very proud because they completed an excellent season... No matter what the scoreboard says, we're still number one.

1979-80 BLOOD DRIVE

On March 14, the annual Sadie Hawkins dance was held, sponsored by the Sophomore class. This is the one dance where the girls get to pick their date for the evening. The band was "Chaser", and everyone had an excellent time.

1980 SENIOR

The annual Senior Breakfast was held on February 14, 1980 at the Rendevious Restaurant/Lounge in Fremont. The Breakfast began at 5:30 A.M. with a delicious meal that consisted of scrambled eggs, bacon, sausage, a muffin, coffee or milk and orange juice. After breakfast, Juniors Janet Holbrook and Marijayne Wallace announced the senior favorites. The breakfast was over about 7:30 A.M. Approximately 150 seniors attended this exciting and surprising event.

BREAKFAST

Dear,
 I'd like to admit I was confused your freshman year
 between you and Ed, but I have it straight now. It has been
 fun being Olivia, even though my time you walk by
 yelling "Hi Olivia".
 I'll miss you next year so please
 keep in touch. Maybe without the daily Candy.
 I'll lose a little weight.
 Please don't remember me by that
 drawing Carlos did in the front!
 Much Love,
 Christy (Olivia) Dickmuth

editors' page

Well, I can't believe that these 4 years are over. I remember when I was a Freshman and the upperclassmen used to tell me "Enjoy these years, they'll be gone before you know it." At that time, 4 years seemed like such a long time but now I realize how short it really is. Of these 4 years, my greatest accomplishment is the 1979/80 Washintonian. The long hours of hard work I have put into this yearbook have paid off and I feel that it is an excellent yearbook. I have enjoyed working with the Publications class and my Co-Editor, Kim Rowe. I thank them for the help they have given to me this past year.

My second greatest accomplishment is the past year's presidency. I have enjoyed working with the class of '80 and I hope they have enjoyed the year as much as I did. I wish each member the best of luck in their futures and I hope you all reach your goals and get what you desire out of life.

Much happiness is wished for you. See you at the REUNIONS!

Penny Rondeau
79/80 Washintonian Editor
Senior Class President

This has been a terrific year! We had a great yearbook staff, and a great student body to fill our pages with fun memories.

I'd like to thank Penny Rondeau, Mr. Brower, Ash Studio, and the whole staff, for their hard work during the year. I would also like to add a special thanks to those people outside of the Publications class, who gave so freely of their valuable time. Without their efforts, our yearbook may not have been of such good quality.

Good luck and happiness always to everyone at Washington.

Thank You,

Kim Rowe

79/80 Washintonian Editor
